

WHY HIRE ME?

**At a job interview, if someone asks you
WHY SHOULD WE HIRE YOU,
here are some responses:**

**This response includes:
THE COMPANY, THE ROLE and YOUR AMBITION**

When I saw your ad, I knew I had to apply as it lines up with my personal core values.

After I did some research about your company and the position, I knew I had the right qualifications such as *(fill in key job requirements that you can do)* that are critical for this position.

When I look at my career growth, I know that your company is one that I'm excited to work for, learn from and invest in. To me, this is a great fit for both of us.
